

AUSFLOORWORKS

Decorative Screed Flooring

The ultimate in endurance and performance

Decorative Screed Flooring is the ultimate surface for endurance and performance in a range of commercial and domestic settings. Low maintenance and very durable, this coating is also incredibly cost effective. Decorative Screed Flooring is a concrete screed system that will add warmth and value to your flooring. It will give your floor area a more appealing surface finish.

Decorative Screed Flooring offers designers and developers a highly functional, dust free, slip and chemical resistant, and safe floor for a variety of projects. If cleanability is your highest requirement, for example in food preparation or laboratories, this system is the answer you've been looking for.

AusFloorworks are the experts in choosing the right flooring to suit your requirements – from strength and durability, to easy maintenance, to aesthetics, or to sustainability. It is with pride and professionalism that AusFloorworks provide the best in service and advice.

This unique surface is perfect for busy areas with high foot traffic. With a paint that will never fade, Decorative Screed Flooring is also clean and easy to maintain. Fashionable flooring to suit your environment has never looked better.
